

STAY SAFE

Safe from harm, valued, cared for and supported

We promise to:

- ★ Make sure that you know your social worker well, see them regularly and can contact them when you want
- ★ Not change your social worker unless it is absolutely necessary
- ★ Make sure you feel safe in your home and are happy where you live
- ★ Support you if you return to your family or move to another home
- ★ Make sure that your home is with carers who can meet your needs
- ★ Make sure there is an up-to-date care plan that says how we will meet your needs
- ★ Involve you in planning services that meet your needs and explaining decisions fully
- ★ Give you advice and support to help you to stay safe
- ★ Involve you in planning your review so that you feel part of it
- ★ Make sure that you have an independent reviewing officer to help plan with you what you need and check that those plans are carried out at least every 6 months
- ★ Make sure you have access to a telephone and computer, and that you have all of the contact details you need
